

Varun Kumawat

P: +91 8320313890 | [Email](#) | [Portfolio](#) | [LinkedIn](#) | [GitHub](#)

EDUCATION

Indian Institute of Technology, Kharagpur
Bachelor of Technology

Kharagpur, West Bengal
Expected Mar 2025

WORK EXPERIENCE

BELONG EDUCATION

Dec 2022 – Jan 2023

Full stack Intern

- Worked in a team of 4 developers to design **Full stack curriculum** for students registered on Belong Education
- Used **React** to develop a [landing page](#) within 4 days for the launch of the Bootcamp

PARENTHESSES LABS

Oct 2022 – Dec 2022

Software Developer Intern

- Made use of **low-code** technology to build an e-commerce platform
- Worked with **Nodejs** and **Dialogflow** to create an AI chatbot

PERSONAL PROJECTS

TWITTER CLONE

July 2022

- Built this Application from scratch using the **MERN** stack
- Added features such as User register/login, tweeting, interacting with tweets, the basic **CRUD** operations for all the tweets, and others
- Made reusable components with the help of **React**
- Live: <https://kvarunkk.github.io/Twitter-Frontend/>
- Demo video: <https://youtu.be/QyBVz8j9Ago>
- Source code: <https://github.com/kVarunkk/MERN-Twitter-clone>

CHAT APPLICATION

Feb 2023

- **Mobile** app made using **React Native** with end-to-end encryption and room feature
- Create a 'room', invite friends and chat with any number of people present in the same 'room' from all around the world using any kind of device
- Utilized **Node.js** in the backend along with the **Socket.io** library to enable real-time bidirectional communication
- Source code: <https://github.com/kVarunkk/React-Native-chatApp>

ADDITIONAL

Technical Skills: MongoDB, express.js, Node.js, React, React Native, HTML/CSS, JavaScript, Bubble.io, Git

Languages: Fluent in English and Hindi
